

Rural Info.net

A website dedicated to rural mail carriers

This website was started by an active rural mail carrier as a way to bring information and news to the rural craft. The idea is to have a place for all rural mail carriers to come together and find the information they need.

On ruralinfo.net, you will find many different services:

- **Newsletter sign up**
 - **Postal manuals**
- **NRLCA Contract information**
 - **Information on mail counts**
- **Information for regulars and RCA's**
 - **Benefits Information**
- **Thrift Savings plan information**
 - **Postal news**
 - **Postal photos**
 - **Rural Carrier polls**
 - **CDS/HCR News**
 - **Message board**
 - **Transfer Ads**
- **Post a free ad to sell your route vehicle**
 - **Editorials**
 - **Rural Carrier links**
 - **And much much more**
